

Centrales solaires photovoltaïques de 200 MW

Centrales solaires photovoltaïques de 200 MW

L'entreprise a pu obtenir des droits de propriété sur un grand terrain situé à 7 endroits différents.

L'entreprise a également obtenu du gouvernement des droits de superficie pour 35 ans afin de mettre en œuvre la construction de projets de centrales solaires.

L'énergie solaire en Roumanie avait une capacité installée de 1 374 mégawatts (MW) à la fin de 2017. Le pays avait en 2007 une capacité installée de 0,30 MW, qui est passée à 3,5 MW à la fin de 2011 et à 6,5 MW à la fin de 2017. fin 2012. L'année record de 2013 constitue cependant une exception et les nouvelles installations sont passées de 1 100 MW à un niveau modéré de 69 MW en 2014.

La Roumanie est située dans une zone avec un bon potentiel solaire de 210 jours de soleil par an et avec un flux d'énergie solaire annuel compris entre 1 000 kWh/m²/an et 1 300 kWh/m²/an. Sur cette quantité totale, environ 600 à 800 kWh/m²/an sont techniquement réalisables. Les régions solaires les plus importantes de Roumanie sont la côte de la mer Noire, le nord de la Dobroudja et l'Olténie, avec une moyenne de 1 600 kWh/m²/an.

La Roumanie était un acteur majeur dans l'industrie de l'énergie solaire, installant dans les années 1970 et 1980 environ 800 000 m² (8 600 000 pieds carrés) de capteurs solaires de mauvaise qualité, ce qui plaçait le pays au troisième rang mondial pour la superficie totale de cellules photovoltaïques. L'un des projets solaires les plus importants a été l'installation d'un panneau solaire de 30 kW sur le toit de l'Université Politehnica de Bucarest, capable de produire 60 MWh d'électricité par an.

Statut

49 MW prêts à construire (+ 151 MW prêts à construire d'ici décembre 2023)

Tarifs

Option 1 : 145 000 EUR/MW + 50 000 EUR/HA (Droits d'achat sur le terrain)

Option 2 : 145 000 EUR/MW + 2 600 EUR/MW (Droits de location sur le terrain)

Parcelles

7 Localités proches de Bucarest :

Environ 27,40 MW (taille du terrain 31,38 HA)

Environ 19,20 MW (taille du terrain 21,00 HA)

Environ 105,47 MW (taille du terrain 129,34 HA)

Environ 38,86 MW (taille du terrain 48,45 HA)

Environ 34,89 MW (taille du terrain 45,54 HA)

Environ 31,72 MW (taille du terrain 35,35 HA)

Environ 33,48 MW (taille du terrain 40,00 HA)

TARGET PRICE

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
