

Exploration minière d'or "Ridley Lake"

Exploration minière d'or "Ridley Lake"

Le projet aurifère Ridley Lake comprend 196 claims contigus non brevetés à une seule cellule et à des limites dans lesquels Richmond détient une participation de 100%. Le projet est situé au centre de la ceinture de roches vertes de Swayze dans le centre-nord de l'Ontario dans les cantons de Rollo et Raney, division minière de Porcupine ou plus précisément à 40 km au sud-ouest de la ville de Foley et à 120 km à l'ouest-sud-ouest de la ville de Timmins.

Les découvertes aurifères importantes récentes dans la BGS comprennent le gisement de lac Cote (acquis par lamgold en avril 2012 pour 585 millions de dollars) et la découverte aurifère de Borden Lake de Probe Mines (récemment acquise par Goldcorp pour 526 millions de dollars), un gisement aurifère de plusieurs millions d'onces situé à environ 23 milles à l'ouest.

- Les premiers travaux d'exploration sur la propriété remontent à la prospection de 1932. Deux veines de quartz (les indices Cyril Knight et Aguara) orientées est-ouest ont été découvertes dans la zone centrale de la propriété. Ces veines ont été exposées en surface pour des longueurs de strike allant jusqu'à 245 m, avec des largeurs variant entre 1 et 3 m. Les analyses de ces veines étaient très variables, avec des teneurs allant des valeurs traces jusqu'à 23 g/t d'or (0,7 once par tonne).
- Le projet est accessible toute l'année par un réseau de routes forestières et de routes de brousse et est sous-tendu par une partie d'une séquence majeure de volcanites et de sédiments précambriens précoces appelés complexe volcanique de Swayze ou ceinture métavolcanique-métasédimentaire de Swayze - Deloro.
- La minéralisation aurifère découverte par forage au diamant à ce jour sur le projet est associée à diverses caractéristiques géologiques, notamment le développement de zones de cisaillement, les systèmes de stockage de carbonate de quartz et les contacts entre les écoulements felsiques et mafiques.

The information contained herein does not constitute an offer to sell or a solicitation of an offer or a recommendation to purchase securities under the securities laws of any jurisdiction, including the United States Securities Act of 1933, as amended, or any US state securities laws, or a solicitation to enter into any other transaction

The projected financial information contained in the Memorandum is based on judgmental estimates and assumptions made by the management of the target Company, about circumstances and events that have not yet taken place. Accordingly, there can be no assurance that the projected results will be attained. In particular, but without prejudice to the generality of the foregoing, no representation or warranty whatsoever is given in relation to the reasonableness or achievability of the projections contained in the Memorandum or in relation to the bases and assumptions underlying such projections and you must satisfy yourself in relation to the reasonableness, achievability and accuracy thereof.

By delivering this Memorandum, neither MergersUS Inc., nor its authorized agents are making any recommendations regarding the acquisition or strategies outlined herein. Interested parties shall exercise independent judgment in, and have sole responsibility for, determining whether an acquisition of the Company is suitable for them, and neither MergersUS Inc, nor its authorized agents have responsibility to, and will not, monitor the condition of interested parties to determine that an acquisition is or remains suitable for them. Among other things, suitability of an acquisition will depend upon an interested party's investment and business plans and financial situation.

This document is prepared for information purposes only. It is made available on the express understanding that it will be used for the sole purpose of assisting the recipients to decide whether they wish to proceed with a further investigation of the Proposed Transaction.

The recipients realize and agree that this document is not intended to form the basis of any investment decision or any other appraisal or decision regarding the Proposed Transaction, and does not constitute the basis for the contract which may be concluded in relation to the Proposed Transaction.

All information contained in this document may subsequently be updated and adjusted. MergersUS Inc. has not independently verified any of the information contained herein or on which this document is based. Neither the Company, nor its management or shareholders, nor MergersUS Inc. , nor any of their respective directors, partners, officers, employees or affiliates make any representation or warranty (express or implied) or accept or will accept any responsibility or liability regarding or in relation to the accuracy or completeness of the information contained in this document or any other written or oral information made available to any interested party or its advisers. Any liability in respect of any such information or any inaccuracy in or omission from the document is expressly disclaimed.
